After nearly leaving the Fitness Industry in 2008 and suffering with severe fitness burnout Jackie realised she had no more money to invest in other peoples courses, DVD or books and at this point realised she could make money from the knowledge she 'already possessed'. Since 2006 Jackie has developed 2 Consumers DVDs, her own fitness DVD series, and 100s of downloads for home users and fitness professionals, voiceovers, Apps, written for fitness magazines, blogs. As well as developed presentations, concepts, workshops and educational material for UK and international companies. Jackie is the 'Go to' girl for fitness and the person to take your concept into a money making product that will reach the needs of your clients, students and take you onto the world wide web. www.jackiediss.co.uk
